

## Permission To Travel Form

**Dear California North Stars Families,**

**Many countries do not allow entry of minors who are not accompanied by both parents unless the children have written, notarized permission from the absent parents/legal guardian for the travel. For easy use, we have included a form for you to take to a Notary Public for his/her signature and seal. Please make a copy of the enclosed form (after it is notarized) for your own records and send the original with your minor child when traveling out of the USA.**

According to the US Department of State Consular Information Sheet:

“In an effort to prevent international child abduction, many governments have initiated special procedures for minors at entry and exit points. These often include requiring documentary evidence of relationship and permission for the child’s travel from the parent(s) or legal guardian not present. Having such documentation on hand may facilitate entry or departure.”

**In our experience, enforcement of these provisions is not always consistent, although it is becoming increasingly common. To be proactive and minimize potential problems, we ask that parents provide a notarized consent decree, which players must carry along with their passports/ID when traveling. We have created this form for these purposes. To obtain a notary in your area, you may consult the Yellow Pages in the phone book under “Notaries-Public.”**

**Please be advised that whether parents travel with the player or not, or if one parent goes on the trips, we suggest that consent be given by both parents. Note that if you have sole custody, be prepared to provide proof that the other parent is not required to give consent (e.g. by a custody order, judgment, or equivalent.)**

**Since we have scheduled tournament travel to Canada, please plan to get these notarized soon. Passport requirements are changing also, so all players should apply for passports for the 2006-07 season if they do not have one.**

**Thank you for your attention,**
