Have a tournament named after your company which in turn a portion of the proceeds will be donated to a local youth charity, national cause, or foundation. Such as the LADY North Stars "Capitol Crown" Tournament is an annual fund raiser for the M.I.N.D. Institute at UC Davis, our cause is to raise awareness of the increase of Autism in children. With this comes media exposure, direct participant exposure and the opportunity to have a company marketing table at the event. Additionally, your Company logo will become a permanent fixture in the tournaments winning team home rink for years to come!

The California North Stars Hockey Club Mission Statement

The California North Stars Hockey Club mission is to provide Northern California's Hockey Players the opportunity to participate in more affordable Fundamental, Development, Recreational and Competitive hockey supported by the community for the community. By supporting the youth to reach their personal, social and educational goals offering our support and direction. Assisting the children by seeking the funding of their programs from major corporations to off set the cost of these programs. With this support we can help also create and / or locate educational and sports scholarships and grants to help further their endeavors.

The purpose of the Club is driven by four (4) major themes:

Community: Provide a leadership youth program that is respected as an important part of the community funded by the community for the community. Provide a fun, instructional and competitive hockey experience. Teach good sportsmanship, citizenship, and character and above all, education comes first. Reduce the cost of participation in the sports programs through the support of donations by the community and corporate America. Efforts shall be made to establish grants for those unable to afford to participate.

Development: Provide field programs that allow young amateur athletes at all age and skill levels to enjoy the game of hockey and to partake successfully at the fundamental, developmental, recreational, local, state, regional, national and international levels. Offer youth hockey programs at Mite, Squirt, Pee Wee, Bantam and Midget levels, and girls' teams as designated by the Club. Support the continued success and development of the Western In-house Hockey League (WIHL), Northern California Junior Hockey Association (NORCAL), California Amateur Hockey Association (CAHA), Western States Hockey League (WSHL) and United States Hockey (USA Hockey) organizations.

Challenge: Provide a hockey development program that allows young athletes to excel at the highest competitive level that they can achieve. Prepare Mite, Squirt, Pee Wee, Bantam, Midget and Girls' players to successfully graduate to the next level of competition. Develop and expose players to collegiate hockey and their grants and scholarship programs through our Tier and Junior A and B programs.

Education: As a youth organization the Club shall stress education before competition with the players by requiring a 'C' average G.P.A. to partake in competitive games.

Sincerely yours,

John R. Thompson

California North Stars Club President

CAHA Board of Directors Elected Member
